2.4 Tutor Gym reserves the right to amend timetables where reasonably necessary.

2.5 Lesson details, including tutor and topic, may be subject to change up until the start of the session. However, the subject and lesson time will remain unchanged.

2.6 Tutors will provide a brief overview of each lesson in advance so that parents and pupils are aware of what will be covered. This can be found in the 'snippet' section of the session listing on the timetable.

Where a subscription begins part-way through a calendar month, the first month may be charged on a pro-rata basis, rounded up in accordance with Tutor Gym's billing system specifications. Payment is required regardless of when the subscription begins within the month.

3.4 Subscriptions can be upgraded at any time, with changes applied immediately on a pro rata price format.

3.5 Downgrades or cancellations will take effect at the end of the current billing month already paid for, with all changes reflected from the 1st of the following month.

3.7 Failure to make payment will result in suspension or termination of access.

4. Cancellations and Penalties

4.1 Students may cancel a booked session up to 90 minutes prior to the scheduled start time.

4.2 Cancellations made less than 90 minutes before the session start time will be treated as a late cancellation and will not be eligible for refund or credit.

4.3 For Core members, where cancellation is made with at least 90 minutes notice, the session credit will be returned to the user's account.

4.4 For Core members, all credits must be used within the same calendar month and cannot be rolled over to a subsequent month.

4.4 Where a tutor is no longer able to run a scheduled session, Tutor Gym will make reasonable efforts to arrange a replacement tutor. If a replacement tutor cannot be found, the session credit will be returned to the student's account.

4.5 If Tutor Gym cancels a lesson at short notice due to unforeseen circumstances, the session credit will be refunded to the student's account.

4.6 Where a student has booked 3 lessons that have not been attended, Tutor Gym will make contact with the account holder to offer a reminder. If missed sessions continue (e.g. 4 or more in a 6 month period), we will follow up with a phone call and we may place a temporary limit on lesson bookings to ensure fair and effective use of sessions. This is only applicable to Core and Unlimited members.

4.7 Late arrival is permitted at the tutor's discretion, with a maximum grace period of 10 minutes. In some sessions, the cut-off for entry may be earlier depending on the lesson content and disruption risk, and students may not be allowed to join after this point. No credits will be refunded for missed or late-arriving sessions.

5. Cancelling a Subscription

5.1 Subscriptions operate on a monthly recurring basis.

5.2 Users may cancel a subscription at any time. Cancellation will take effect at the end of the billing cycle.

Where an adjustment is approved, it will be formally recorded on the student's account and tutors will be informed in advance. Arrangements may be reviewed periodically. Requests made during or after sessions will not be accepted.

6.6 In the event of a genuine technical issue, students may attend without a camera on a temporary basis only. A working microphone is still required.

All technical issues are recorded and are limited to a fair and reasonable basis of 1 occurrence every 4 calendar months. Repeated technical issues may result in removal from sessions until suitable equipment for participation is in place.

6.7 Tutor Gym reserves the right to refuse participation where engagement expectations are not met.

Tutor Gym

1. Policy Statement

Tutor Gym is committed to safeguarding and promoting the welfare of children and young people. We recognise that safeguarding is everyone's responsibility and that all children have the right to learn in a safe, supportive, and respectful environment.

This policy applies to all staff, tutors, contractors, and anyone working on behalf of Tutor Gym.

Our safeguarding approach aligns with current UK safeguarding legislation and statutory guidance.

4. Recognising Safeguarding Concerns

Safeguarding concerns may arise in a range of ways, including disclosures made by a child, noticeable changes in behaviour, signs of distress or anxiety, inappropriate communication, or concerns observed during online tutoring sessions.

Tutors must remain vigilant and report concerns promptly. Tutors must not attempt to investigate safeguarding concerns themselves.

Tutor Gym appoints a Safeguarding Co-ordinator with overall responsibility for safeguarding. This person is responsible for receiving and responding to safeguarding concerns, liaising with parents and external agencies where required, and ensuring safeguarding training remains up to date.

Safeguarding Coordinator: Jessie Fitzhenry
Contact: jessie@tutorgym.co.uk

5. Responding to a Disclosure

If a child discloses a safeguarding concern, tutors should listen calmly and carefully, avoid asking leading questions, and never promise confidentiality. The child should be reassured that they have done the right thing. The concern should be recorded factually and reported immediately to the Safeguarding Coordinator.

6. Reporting Concerns

All safeguarding concerns must be reported immediately to the Safeguarding Coordinator. If a concern involves the Safeguarding Coordinator, it must be reported to the Company Director or an appropriate external authority without delay. All safeguarding concerns are securely recorded on an internal log to ensure accurate monitoring and to support each pupil's safety and wellbeing

Tutor Gym follows safer recruitment practices to help prevent unsuitable individuals from working with children. This includes identity checks, Enhanced DBS checks, reference checks, and mandatory safeguarding training.

9. Confidentiality and Information Sharing

Information is shared on a need-to-know basis and in accordance with data protection law. Where a child is at risk of harm, safeguarding considerations override confidentiality.

10. Review

This policy is reviewed annually and following any safeguarding incident or significant change in guidance or practice.

7. Review

SCHOOL PARTNERSHIPS POLICY

Tutor Gym

1. Purpose

1.1 This policy sets out how Tutor Gym works in partnership with schools to deliver live online tutoring to pupils. It explains how places are set up, how sessions are delivered, how pupils take part, how payment and contracts work, and how responsibilities are shared between the school and Tutor Gym.

1.2 This Schools Policy should be read alongside Tutor Gym's wider User Policy Pack.

2. The Service We Provide to Schools

2.1 Tutor Gym provides live, small-group online tutoring sessions delivered by specialist tutors, designed to support and supplement learning aligned with the UK curriculum.

2.2 Pupils enrolled through a school join the same live timetable as all other users. Sessions are not delivered as separate, school-only classes unless otherwise agreed.

2.3 Every Tutor Gym class is capped at a maximum of 10 students to allow for greater attention, interaction, and personalised support.

2.4 Tutor Gym is a supplementary educational service and is not intended to replace full-time schooling, formal education provision, or any of the school's own statutory responsibilities.

3. Membership & Pupil Places

3.1 The school agrees with Tutor Gym the number of memberships and the membership type for each place at onboarding. Membership types are Homework Club, Core, or Unlimited.

3.2 The agreed number of pupils may each create their own account. Tutor Gym cannot set up new accounts, but can only verify existing accounts. The school must inform Tutor Gym of the email address that will be used as the login for each pupil so that Tutor Gym can assign the correct membership type to the correct account.

3.3 Memberships are allocated by Tutor Gym on the basis of the information provided by the school. It is the school's responsibility to ensure the email addresses supplied are accurate and appropriate for the intended pupils.

3.4 Each member is provided with access to the timetable and session entitlements according to their membership tier (see User Terms & Conditions).

4. Timetable & Supervision

4.1 Sessions for school-enrolled pupils take place outside of school hours. Because of this, pupils may join independently from home on their own device. A member of school staff is not required to supervise pupils during sessions.

4.2 As pupils join independently, parents and guardians are responsible for the pupil's environment and supervision at home during sessions, in line with Tutor Gym's User Terms & Conditions and E-Safety Policy.

5. Participation & Conduct

5.1 Pupils enrolled through a school are subject to the same expectations as all Tutor Gym students. These are set out in full in the User Terms & Conditions, the E-Safety Policy, and the Student Acceptable Use Policy.

5.2 This includes the requirement to join using a device with a working camera and microphone, to keep cameras switched on during sessions, to behave respectfully, and to follow Tutor Gym's mobile phone and chat rules.

5.3 Tutor Gym reserves the right to remove a user from a session where behaviour is disruptive, inappropriate, or compromises the learning environment of others, in line with our standard policies.

6. Safeguarding

6.1 Tutor Gym is committed to safeguarding and promoting the welfare of all children. Safeguarding is managed in accordance with Tutor Gym's Safeguarding Policy, which applies in full to pupils enrolled through schools.

6.2 All sessions are recorded for safeguarding, training, and quality assurance purposes, as set out in the Recording & Monitoring Policy. Recording is a condition of participation.

6.3 Any safeguarding concern or complaint arising during a Tutor Gym session must be raised by tutors to the Tutor Gym Safeguarding Co-ordinator in the first instance,

not to the school, and will be managed by Tutor Gym in accordance with its Safeguarding Policy and Complaints Policy.

This is because Tutor Gym sessions are attended by pupils from multiple schools at the same time. Where a safeguarding issue arises, Tutor Gym must be made aware as soon as possible so that it can act quickly to protect every pupil involved. Routing such concerns through an individual school first would risk delay. Tutor Gym will inform the relevant school, and liaise with parents, guardians, and external authorities, as appropriate.

Tutor Gym's Safeguarding Co-ordinator is Jessie Fitzhenry (jessie@tutorgym.co.uk). Where a safeguarding concern arises in relation to a pupil, Tutor Gym will act in accordance with its safeguarding obligations.

6.4 Tutor Gym follows safer recruitment practices for all tutors, including identity checks, Enhanced DBS checks, reference checks, and mandatory safeguarding training, as set out in the Safer Recruitment Policy.

7. Data Protection

7.1 In respect of pupil personal data shared by the school for the purpose of delivering tutoring, the school is the Data Controller and Tutor Gym acts as the Data Processor.

7.2 Tutor Gym processes pupil data only on the documented instructions of the school and only to the extent necessary to deliver the agreed services, in accordance with UK GDPR and the Data Protection Act 2018.

7.3 Tutor Gym applies appropriate technical and organisational measures to protect personal data, restricts access to authorised personnel, and processes data in line with its Privacy Policy, Data Protection Policy, and Data Retention Schedule.

7.4 Tutor Gym will assist the school in responding to data subject requests and will report any personal data breach to the school without undue delay.

7.5 The specific terms of the controller-processor relationship may be set out in a separate data processing agreement where required by the school.

8. Reporting & Feedback Data

8.1 Schools receive attendance and engagement reports for their enrolled pupils, allowing the school to monitor uptake and participation.

8.2 Schools will receive these at mutually agreed intervals, such as termly. This will be set out upon onboarding.

8.3 Reports are provided as agreed at onboarding and are shared securely with the school's nominated contact.

9. Payment

9.1 Schools may pay either by monthly invoice or by Direct Debit, depending on the school's preference and by arrangement with Tutor Gym.

9.2 Payment terms, including the agreed number of places and membership types, are confirmed at onboarding.

9.3 Failure to make payment in accordance with the agreed terms may result in suspension or termination of pupil access.

9.4 Schools may increase the number of pupil places at any point during the month, with the additional places taking effect immediately. A decrease in the number of pupil places is subject to the notice period set out in clause 10. Where a school is under a longer-term contract, the same rules apply.

9.5 Pricing may be based on the agreed number of pupil places. Where pupil numbers decrease, Tutor Gym reserves the right to review and increase the cost per pupil to reflect the revised numbers.

10. Contract Term & Cancellation

10.1 School partnerships operate on a rolling monthly basis.

10.2 A school may terminate their contract by providing 30 days' written notice from the 1st of the month. If notice is given mid-month, then the notice period extends for the rest of that month and runs to the end of the following month. Access for enrolled pupils will continue during the notice period.

11. Pupil Allocations

11.1 A school may re-allocate their paid membership place to a different pupil. This can be done at any time with 7 days' written notice. This is operated independently of the calendar month, as payment continues uninterrupted.

11.2 Tutor Gym reserves the right to suspend or terminate access with immediate effect where there are safeguarding concerns, serious behavioural breaches, non-payment, or other material breaches of Tutor Gym's policies and terms.

No refunds are provided for unused sessions during the notice period.
